**PRESS RELEASE**

**FOR IMMEDIATE RELEASE  
January 2007**

**Peritus Precision Translations, Inc.  
Announces Certification as a Women Business Enterprise or WBE**

**San Carlos, CA - Peritus Precision Translations, Inc.** is proud to announce that the company has achieved the **Women's Business Enterprise Certification** as of January 1, 2007. The certification confirms the commitment of **Peritus Precision Translations, Inc.** to America's leading women-owned and run firms.

"Over the past ten years we have provided global communication opportunities through premier translations services not only for our customers", says Dagmar Dolatschko, President and Founder of **Peritus Precision Translations, Inc.**, "but have developed a compassionate emphasis on working in a win-win environment with our customers and partners. We take great pride in receiving this certification from the Women's Business Enterprise National Council (WBENC) and are looking forward to being part of leading corporate supplier diversity programs."

**WBENC** is the nation's leading advocate of women-owned businesses as suppliers to America's corporations. It is the largest third-party certifier of businesses owned and run by women in the United States. Accepted by over 700 major corporations across the country and a number of federal and government agencies, WBENC has become the nation's leading source of information on trends in supplier diversity programs for women business enterprises -[www.wbenc.com](http://www.wbenc.com)-.

**About Peritus Precision Translations, Inc.**

**Peritus Precision Translations, Inc.** is a trusted provider of premier translation services. With more than a decade of expertise and experience in finding the precise word on a global scale, **Peritus Precision Translations, Inc.** offers a broad array of **ISO-certified translation services to and from over 100 languages**. As a translation company **Peritus Precision Translations, Inc.** ensures that customers' intended messages are delivered accurately, truthfully, on time and specific to the situation. Especially, where culturally adapted translations are of crucial importance.
